OLD BUSINESS

- A. Sculpture in the Park at Seven Devils Update - The placement of the donated sculpture is complete and has already received several compliments.
- B. Art Vision Committee - Rebecca Ryan has been named Chair of the Art Vision Committee. The Committee is looking for additional members. The purpose of this Committee is to present design ideas and vision for art and design in the park to the Parks and Recreation Committee.
- C. PARTF Grant - The PARTF grant has been approved. The attached handout explains the grant and projected costs. Town Manager Harris explained the timeline for spending. Planning will start after December.
- D. Fall 2023 Events Recap - Attendance at fall events was presented. The numbers are very positive. Chairman Bridges suggested a review of last year's attendance to make sure all events presented are worth the time and effort.
- E. Lite the Nite - Jewel McKinney presented the flyer for Lite the Nite. Reservations are at 50 right now with more expected.
- F. Winter Hikes - Unfortunately the first two hikes were cancelled to due inclement weather. The Committee decided that there was sufficient interest to continue hikes in the winter. Having "theme" hikes or hikes tied in to holidays were suggested.
- G. Blood Drive - the Committee decided it would be worth the time and effort to hold our own Blood Drive here at Seven Devils. It would be held sometime during the spring/summer season.
- H. CPR Rescheduling - The first two CPR classes were very successful. The third class had to be rescheduled. The Committee decided to continue offering CPR classes. It was suggested to add an evening class.
- I. T-Shirts - Joe Alfonso presented his research on selling Seven Devils t-shirts to benefit and promote the Town. Joe presented several types of shirts to the Committee. Joe will continue his work over the winter and will have some options for the Committee around February/March.

NEW BUSINESS

- A. Lecture Series - It was suggested having an evening lecture series at Seven Devils with history as a topic, possibly local history. The idea was extremely well received. Marino Fernandez will investigate this and bring information back to the Committee.

CITIZEN COMMENTS - None

MEMBER COMMENTS

- A. Stu Ryan has offered to donate a woodworking item for raffle at one of the summer concerts. The proceeds would go to a charity. The Committee approved this request, thanked the Ryans and will look for details in the coming months.
- B. Joe Alfonso discussed a Field Day in conjunction with the Olympic Games in Paris in July. The location of this event will depend on construction occurring in the Park.
- C. Marino Fernandez resigned after two years of being in charge of the town-sponsored Pickleball events. He nominated Freddie Blonshine to replace him, and the Committee approved.
