TREE CITY USA®

BEARS

Spring is here! Flowers...Trees...Critters and Creatures will awaken in the upcoming weeks. As the longer and warmer day beckons us to spend more time outdoors, please remember it is likely you will see black bears in Seven Devils with the same thoughts as they search for food. Bears are drawn to human trash while looking for food and often end up making a mess. The Town of Seven Devils Nuisance Ordinance-Article 6 provides details regarding trash receptacles, the requirements of the Ordinance, and possible enforcement actions. The Ordinances can be found on the Town website:

Water Meter Change Outs

During the recent mild winter months, Public Works completed the meter changes outs for customers to upgraded radio read meters. These new meters offer drive by efficiency, as well as accuracy for water usage calculated for the monthly billing cycle.

This water infrastructure project was funded from the \$5 capital improvement charge on the monthly H2O bill.
