

Waterline Replacement Project

News Release Date
02-26-2024

Construction on the Chestnut Ridge Trail Waterline Replacement project will begin in early March 2024, with equipment staging during the week of February 26th. Roads include the following: Chestnut Ridge Trail, Knob Hill Lane, Edgecliff Lane, and a portion of Wildcat Rocks Road. See attached map with blue highlights for details.

Citizens affected might incur traffic delays, or limited water outages during the daytime hours of 7:30am - 5:00pm. Seven Devils Public Works Department will be on site with Carolina Grading & Utilities during the work timeline in the upcoming months.

Thank you for your patience.
