

Red Route—East—2.6 Miles

On this walk, you will see deep forests, lots of wild flowers, beautiful views of mountain ranges, and several log homes. You will be climbing, but it's worth it. Parts of this walk are on unpaved roads, so wear good walking shoes.

Park behind Town Hall and walk up the hill to turn right on Alpine Drive to start your walk. Then follow the map, especially where there's no pavement to mark the route with arrows.
