OLD BUSINESS

Seven Devils Tenth Annual SafetyFest - July 6, 2013

- * Kay Lambert reported that one major raffle prize has been purchased for under \$100. Sponsor request packets have been sent out.
- * George Ehlinger reported that he has lined up five placemat ads. Kay Lambert has two.
- * It was reported that Bobby Powell has lined up the ladder truck, smoke house and squirt house.
- * We looked over mock-ups of the raffle ticket. A few questions were asked and George Ehlinger will check with Kay Ehlinger/Blue Horse Promotions.
- * Kay Lambert reported that we will have the Pepsi Wagon.
- * Ed Evans suggested that we see if Freeman Gas will donate the propane for the tanks for the 2013-2014 tax year (after July 1, 2013). George Ehlinger will also talk with Fanners Rental about the possibility of propane.
- * After reviewing what area restaurants charge for a pound of BBQ it was decided that we would charge \$8.00/pound.
- * David Hooper said that he and Mary would supervise the Public Safety Committee Booth again this year - THANK YOU!
- * Mike Tarlton reported that he is compiling a list of volunteers from past years and will contact them.
- * Due to the amount of work and time required to smoke turkeys and the loss of Thursday July 4th as a work day (holiday, Town employees off), we will not smoke and sell turkeys at the SafetyFest.

NEW BUSINESS

- A. Operation Medicine Cabinet - Saturday May 4, 2013 10am to 2pm
Foscoe Fire Department
- B. Reflectors - Dick Nelson and Earl Pariseau voiced their concerns about difficulty seeing the road edge in the fog. They suggested reflectors either on the road or alongside or painting the roadway edges. After much discussion the Committee unanimously voted to pass the matter onto the Public Works Committee for further review and study.
- C. 911 in an emergency - Brad Lambert emphasized the need for people to call 911 in an emergency, not the Seven Devils Public Safety Officer on duty. Time is crucial in fire and medical emergencies and 911 permits the fastest response time.

Brad Lambert moved to adjourn the meeting. Earl Pariseau seconded. All members agreed. The meeting was adjourned at 6:40pm.

The next regularly scheduled meeting is Tuesday April 2, 2013 at 5:30pm.
