

**Town of Seven Devils  
Recreation Commission  
Minutes--Regular Session  
May 21, 2012**

The Town of Seven Devils Recreation Commission met at Town Hall at 4:00 on May 21, 2012. Members present were Anne Fontaine, Lou McLean, Martha Stearns, Kay Lambert, and Leigh Sasse. Tom Bookstaver was absent.

Kay Lambert moved that the minutes of April 17, 2012 be approved. Leigh Sasse seconded the motion, and the minutes were approved.

Anne Fontaine gave an update on the playground. The space for the playground has been surveyed at a cost of approximately \$450.00. There is enough space for two areas—one for younger children and one for older children. A few bushes, overhanging tree branches, or possibly a tree may have to be removed. Two additional parking spaces will be added to the existing ones, and a walkway will extend around the right side of the tennis courts. We will soon make a list of the steps needed to complete the first phase of the playground. We will determine the cost of landscape timbers and mulch before we order play structures.

The SafetyFest booth plans are finalized. Donation boxes will be covered with patriotic -design paper. We will need a tent and four tables for the book booth and a tent and one table for the children's activities booth. The putting green being built by Larry Fontaine is almost finished.

Several Seven Devils residents participated in the Grandfather State Park Bird Walk on May 18. The next walk will be a Sensory Walk on June 7.

The map of the Orange Walking Route East needs to be updated to reflect the new road name—Autumn View, and the walking route booklets need to be reprinted.

On June 18, we may meet early to prepare supplies for the SafetyFest booths.
