

Black Bear Family Park

Located on Grandfather Circle just off Skyland Drive there are two tennis courts and 4 pickleball courts for your enjoyment. For the kids there is a playground just on the other side of the courts, as well as a nice awning with picnic tables for those who prefer the shade. Come out and enjoy.

The only parking for this park is the paved parking along Grandfather Father Circle along the Tennis Courts. Please do not park or drive down Grande View Ct as it is a private road.
